THE NEXT INNOVATION IN TV

The new Samsung QLED TV redefines TV picture quality, style and smart technology. With its new metal alloy Quantum dot material, Samsung's QLED TV not only showcases 100% colour volume (DCI-P3)[†] and a peak brightness of HDR 1,500 nits*, but also improves upon all aspects of picture quality – including wider viewing angles, bold contrast and incredibly deep blacks on an active display. The virtually No Gap Wall-mount** and Invisible Connection cable‡ streamlines your space, while the TV's gorgeous minimalist design earns its place on your wall. Control multiple devices with the One Remote Control, or with your smartphone. Upgrade the content on your TV and everything surrounding it with the new Samsung QLED TV.

Q Picture

QLED TV showcases 100% colour volume (DCI-P3)[†] with optimal brightness and contrast, so you can see every detail as it was intended, regardless of viewing angle or darkness level in the scene or in your home.

Q Style

Enhanced space solutions and a 360° design make the new Samsung QLED TV look stunning and fit into your home seamlessly

Q Smart

Use the One Remote Control to control all of your devices, entertainment apps and game content, or access the TV's Smart Menu from any Android or iOS smartphone

[†] ID.40045577 tested by VDE Germany. 100% colour volume according to DCI-P3 Color Space tested by Verband Deutscher Elektrotechniker (VDE Germany) ID.40045577. December 2016.

* The peak brightness is up to 1,500 nits and may vary depending on the model and size of the TV.

** Measured from rear end of the TV, the gap may differ based on the installation and wall type.

‡ The Invisible Connection™ refers to a single optical cable connected to the One Connect Box integrating certain external device cables, but it does not refer to the power cable of the TV or cables connected to other devices such as the sound bar.

KEY FEATURES

Q PICTURE

Q 4K Colour Drive Elite

See every detail as it was intended with 100% colour volume (DCI-P3)[†].

[†]ID.40045577 tested by VDE Germany. 100% colour volume according to DCI-P3 Color Space tested by Verband Deutscher Elektrotechniker (VDE Germany) ID.40045577. December 2016.

Q 4K HDR Elite

Brilliant whites and deep blacks with a peak brightness of 1500 nits,* so you can view every detail in your favourite program as it is meant to be experienced.

* The peak brightness is up to 1,500 nits and may vary depending on the model and size of the TV.

Q Elite Black

True blacks minimize glare from external light sources. This allows you to see the details in the darkest scenes, regardless of the level of light in the room.

Q Every View

Wall-to-wall picture-perfect viewing ensures that every seat is a great seat to experience exceptional colour.

Q DESIGN

Virtually No Gap Wall-mount-

The new virtually No Gap Wall-mount positions your TV flush against the wall for a clean, sleek appearance.

** Measured from rear end of the TV, the gap may differ based on the installation and wall type

Invisible Connection[‡]

Enjoy fast speeds and a streamlined space with a nearly undetectable fiber optic cable.

[‡] "The Invisible Connection" refers to a single optical cable connected to the One Connect Box integrating certain external device cables, but it does not refer to the power cable of the TV or cables connected to other devices such as the sound bar.

Boundless 360 Design

With the four-sided bezel-less TV display, Samsung's QLED TV delivers an immersive experience and looks beautiful from every angle.

Q SMART

One Remote Control

Say goodbye to your pile of remote controls. The Samsung One Remote Control can control all connected TV devices from a single source with one device***.

***Compatible devices only. All devices must be on the same network and Internet connection is required. Compatible devices include XBOX family of consoles, Playstation 2, 3 and 4, ROKU TV, APPLE TV, SET TOP BOXES [PVR, ROGERS, SHAW, BELL | FIBE, COGECO, VIDEOTRON and BLU RAY PLAYER (all manufacturers)].

Smart View^{††}

Use your smartphone to navigate the TV's Smart Menu and control entertainment and games.

^{††}Supports Android 4.1 and above, iOS 7 and above, Windows 7 and above.

Content - Entertainment & Gaming

Enjoy the apps and games you want with the experience you deserve.
