# GRAMOPHONE

## Review – Gramophone Magazine

"LS50 Wireless is indubitably a very tempting introduction to an 'alternative universe' of home audio, one which I am sure will find favour with many users, as much for its captivating sound quality as its remarkable flexibility and simplicity." ([Download full review](#))

**stereonet**

## Review - Stereonet

"Like the predecessor, LS50 Wireless managed to construct a sound stage far greater in size than what such a small speaker should be capable of... Setup could not be easier... The connectivity options are all apparent and plentiful. Sound quality is refined and reference grade..."
